GTP Admin Center

Travel Managers have access to the GTP Admin Center, from there they can update Traveller's profiles, create new users and Access System Settings such as Point of Interest, Preferred Hotels and Quick Links.

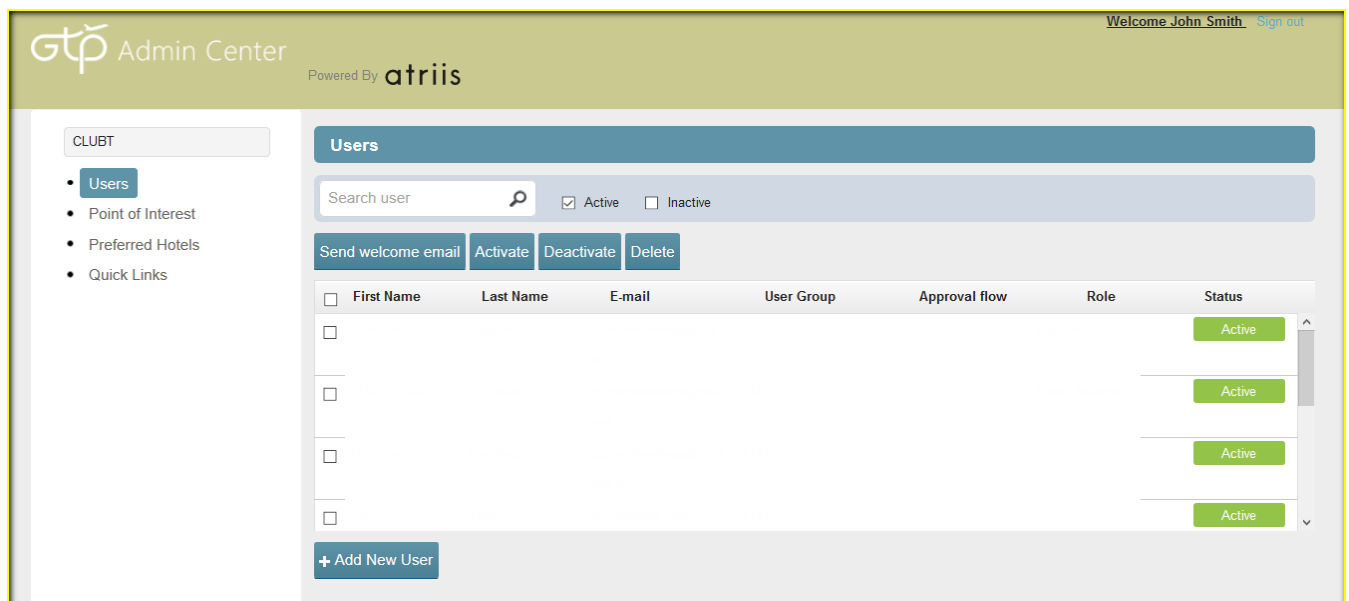

To access the GTP Admin Center Click on the Symbol at the bottom of the page on the left hand side.

*If the symbol doesn't show for you it means your profile is not set up as Travel Manager and you don't have access to it.

The GTP Admin Centre will open in a new tab, from here you have access to:

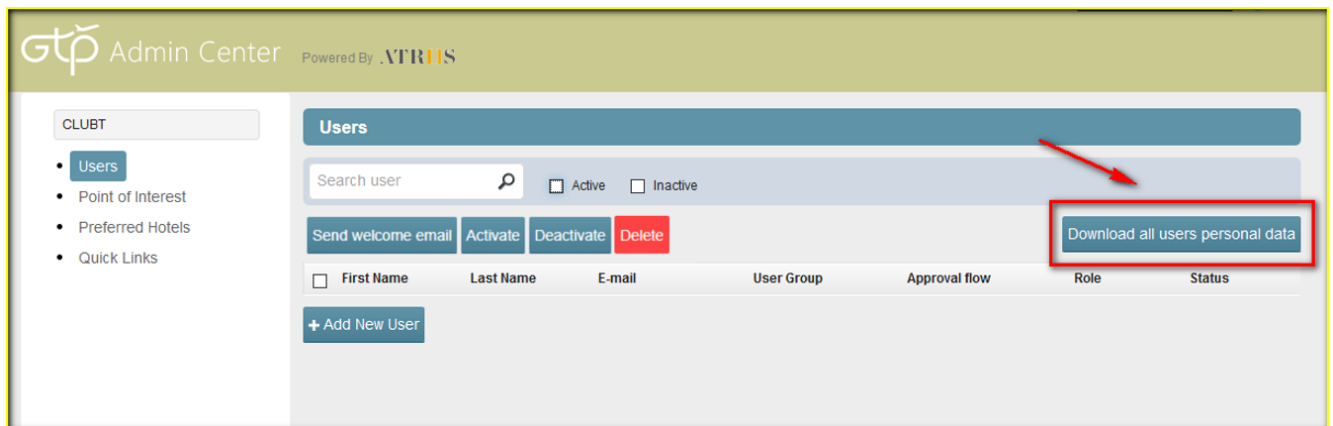

- **Users:** Create new users, updated profiles and Delete profiles
- **Point of Interest:** Add short-cuts for Address for Hotel Search.
- **Preferred Hotels:** Add preferred Hotels and Link to point of interest
- **Quick Links:** Add relevant short-cut links

Users

Download all user's personal data

You can download all the user's personal data to an excel spreadsheet to manage from there.

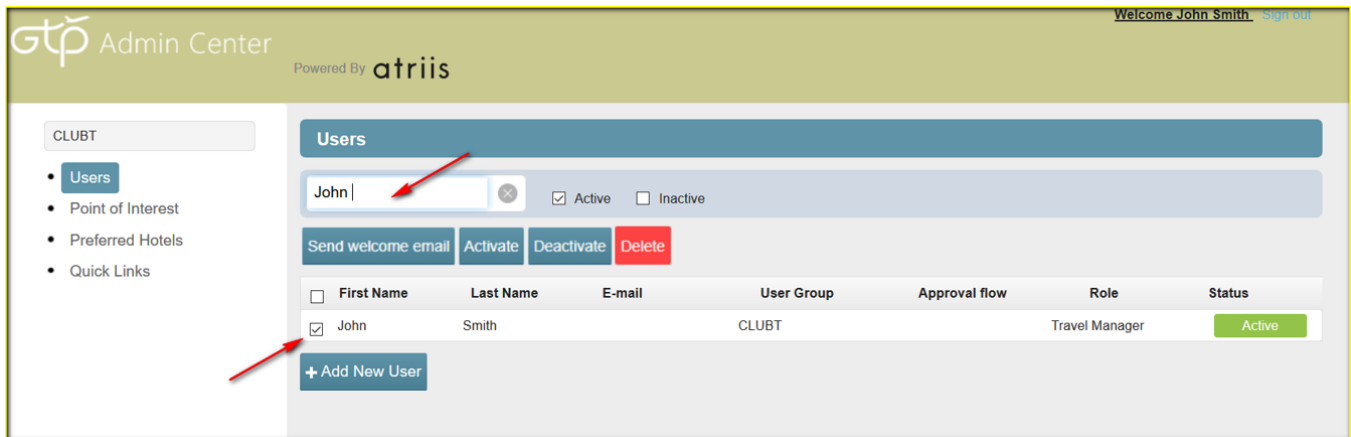

A pop-up box will show where you can save or open the file.

Updating your Travellers Details

If you are a Travel manager you can update your Travellers details if necessary, from The GTP Admin Center you can search for a user by typing the name or selecting from the list.

Select the Travellers name and a box with all the profile tabs will open like the below, update traveller's information as per instructions provided into the Profiles training manual.

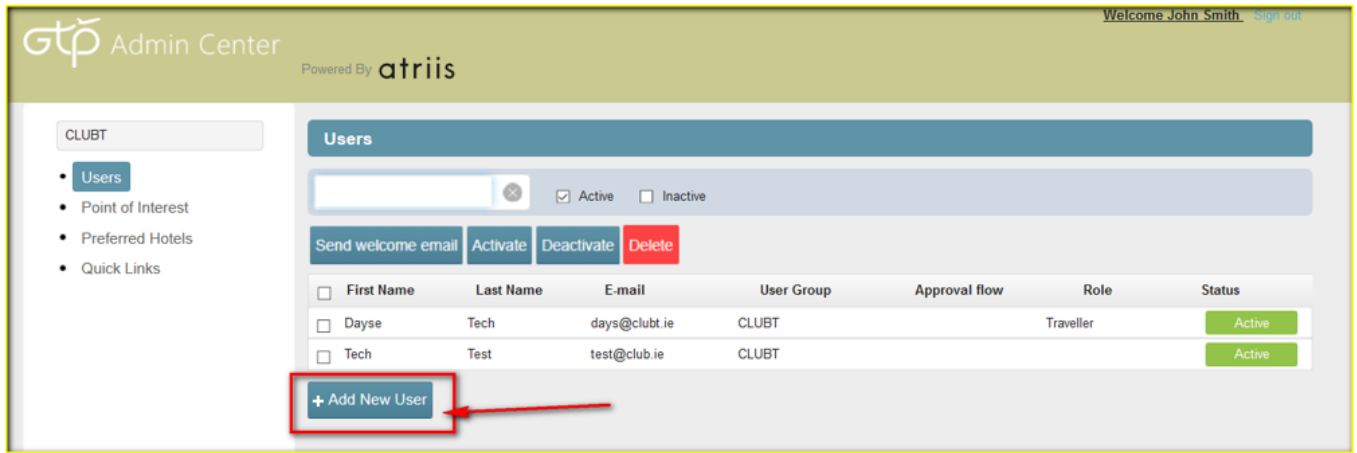

****When selecting a title, we do not recommend selecting Dr. or Prof. as this might cause issues with some airlines where the Dr./Prof. title will be recognised as middle name.**

Update the profile information as normal and click Save at the bottom of each Tab.

How to Create a New User

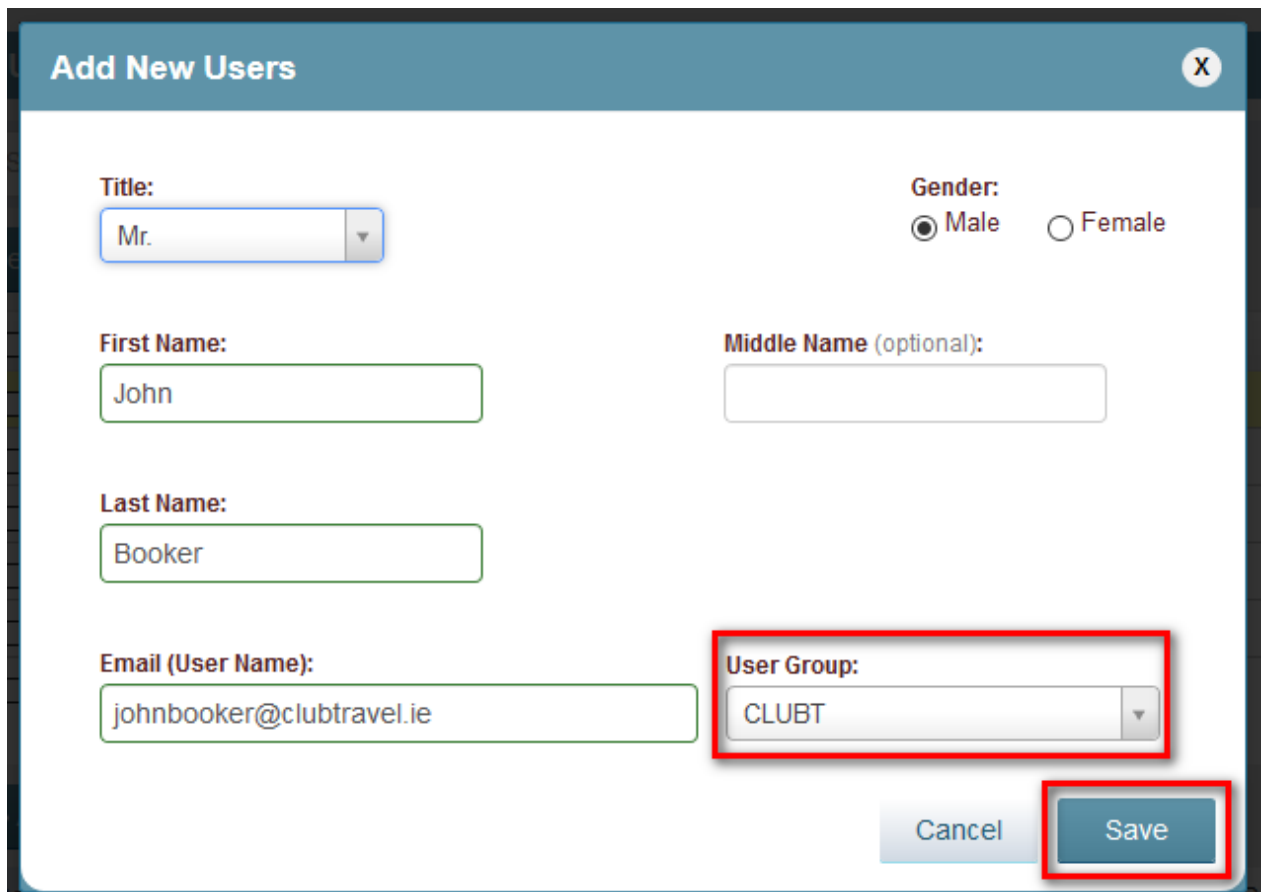

From the GTP Admin Center Click on +Add New User

A pop-up Screen will show:

Enter the Traveller information, select the user Group from the drop-down list and click Save

*The user group from the drop-down list will show only the one relevant to your company system but is necessary to select.

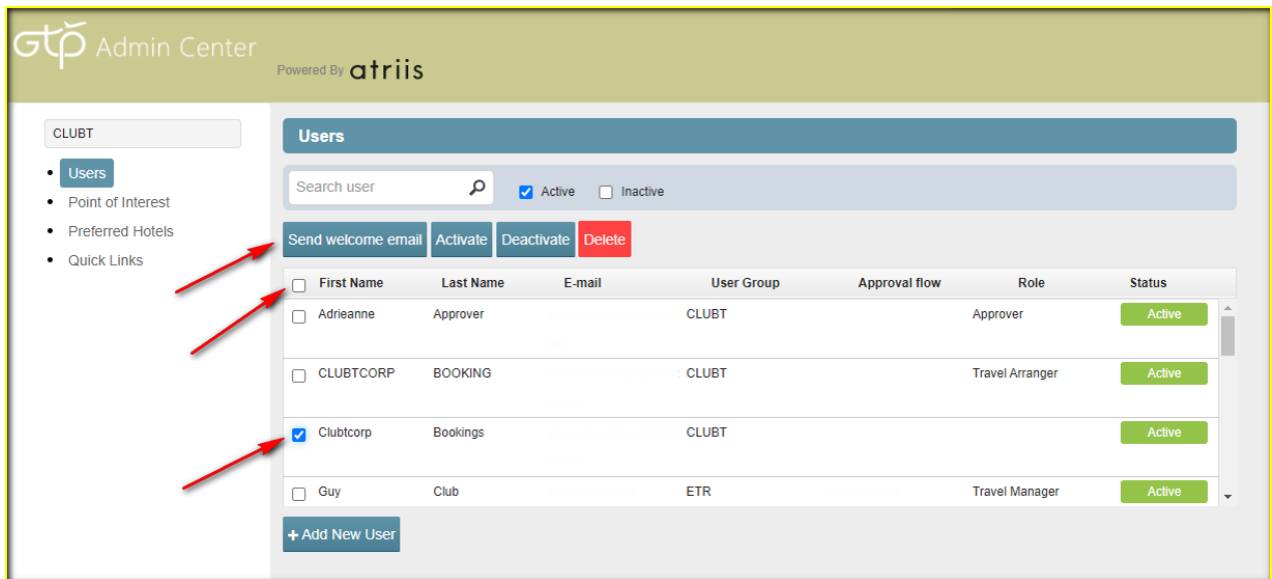

Once you hit Save, the profile is created and can be completed as normal.

Sending Welcome Emails

From the GTP Admin Center, you can also send a welcome email to any users at any time.

Select a specific user or select all at once and click send Welcome email.

Welcome to Club Travel Online Booking Tool

Dear John Smith

You have been assigned login details for Club Travel's online booking tool.

You can use this platform to update and manage your personal information as well as search for and book your business travel itineraries.

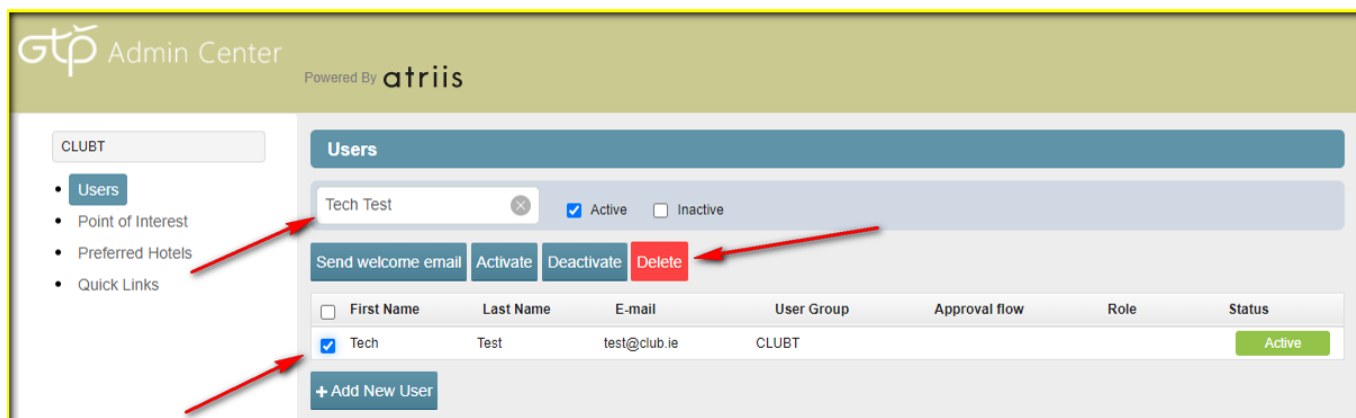

Your user name is : johnbooker@clubtravel.ie

[Click Here To Get Started](#)

Thank you
Club Travel.

How to Delete a Profile

To delete a profile in GTP, you will need to make sure that you are choosing the Delete option highlighted in red. Type to search for the travellers you wish to have the profile deleted and click the little tick-box to select the profile and click on the Delete option.

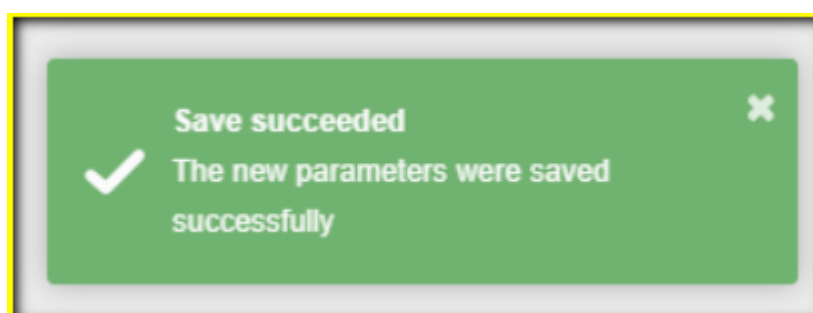

All personal information will be deleted straight away from the profile system (Umbrella/GDS) and from the corporate user profile 24hours after it was deleted.

When deleting a user, the following message is displayed:

****NB**** Once a profile is deleted all the information will no longer be available.

Once profile is deleted, user will then get a green success box to confirm

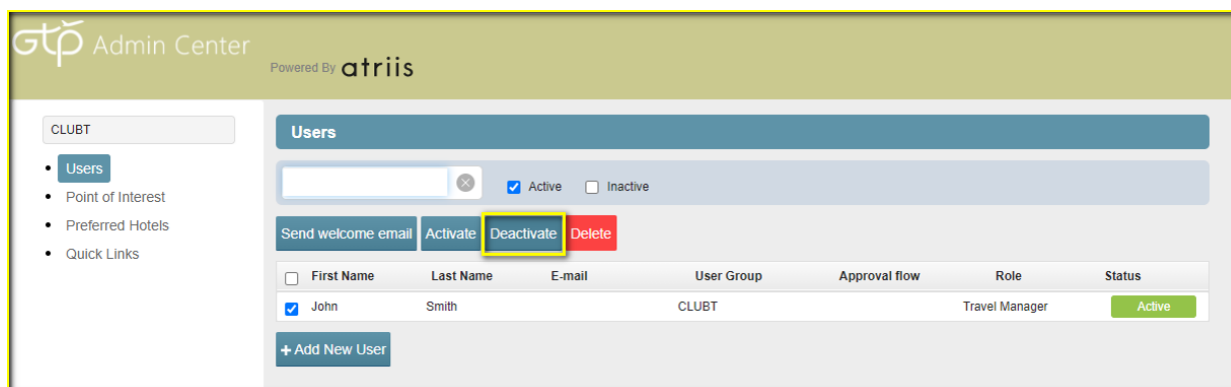

How to Deactivate a Profile

*****THIS IS NOT RECCOMENDED. TO ENSURE A USER PROFILE IS REMOVED FROM ALL CLUB TRAVEL DATA BASES PLEASE USE THE DELETE OPTION*****

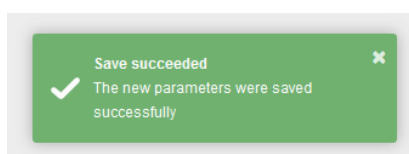

Deactivating a profile is **NOT** like deleting a profile. The information will still be visible in the system.

Once a profile is deactivated it cannot be re-activated as the information won't sync back to the profile system (Umbrella/GDS) – If you wish to retrieve a deactivated profile's information, a new profile must be created

To de-activate a profile in GTP, you will need to make sure that you are choosing the little tick-box and then choosing the de-activate option.

Once you click Deactivate, you will see a little pop-up box like this:

The status of the profile changes to Inactive.

Please note that a profile that sits as inactive for the period, will **NOT** be removed from our GDS system immediately.

The inactive profile will be automatically deleted from GTP after a maximum of one week.

This process is GDPR compliant.

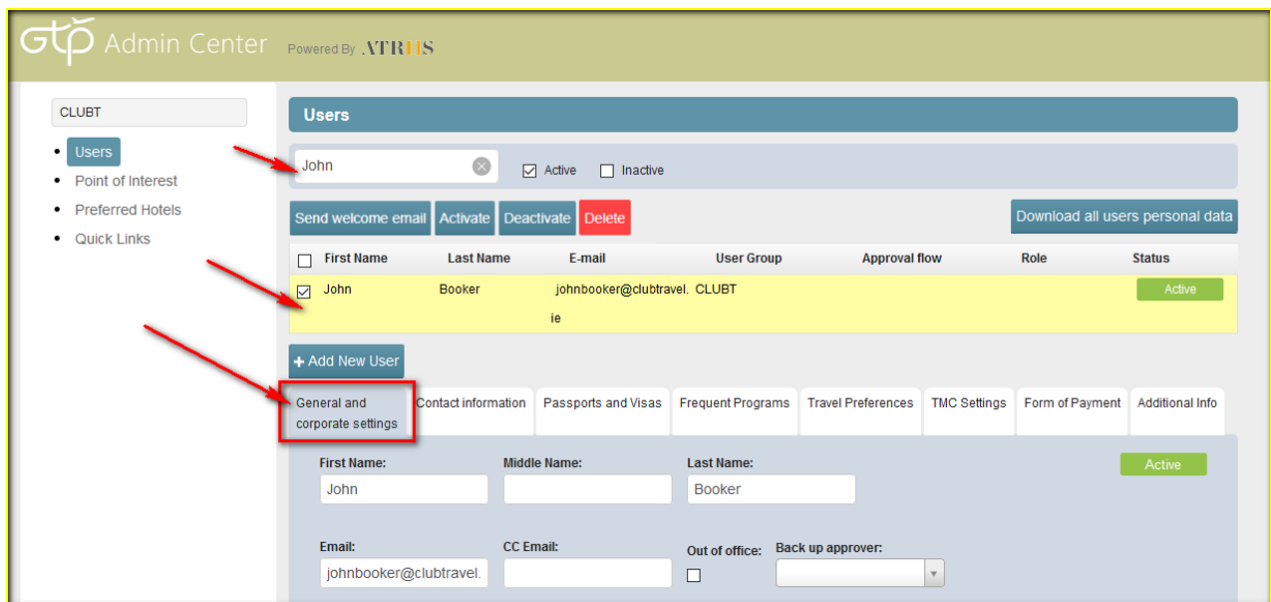

****NB** The profile cannot be re-activated – a new one must be created.**

How to Grant User Rights

The rights for a user will be determined by the role you assign to the user on their profile.

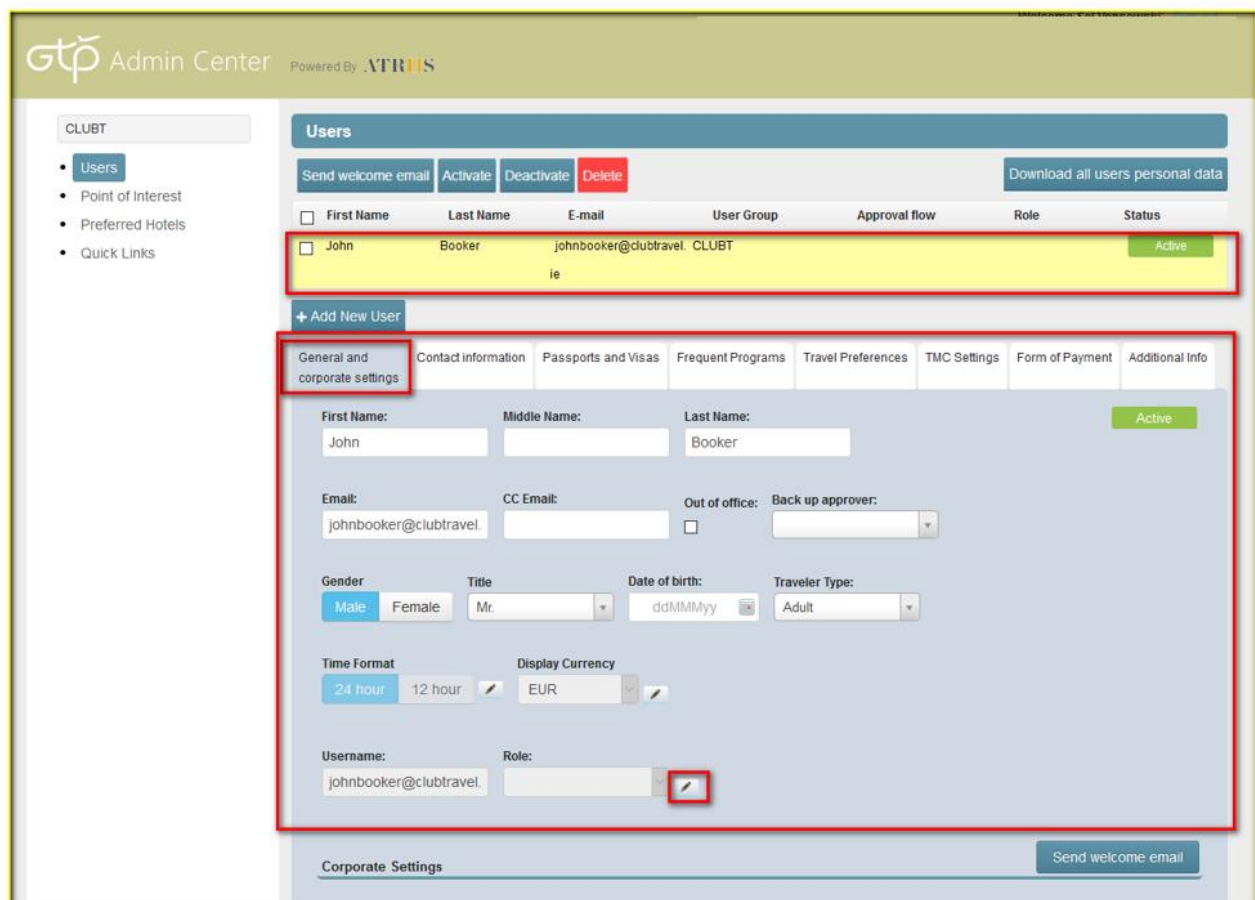

These roles are created by your administrator and determined by your Employers.

You can grant/change the rights of a user at any time by selecting the profile from the general and Corporate Settings tab.

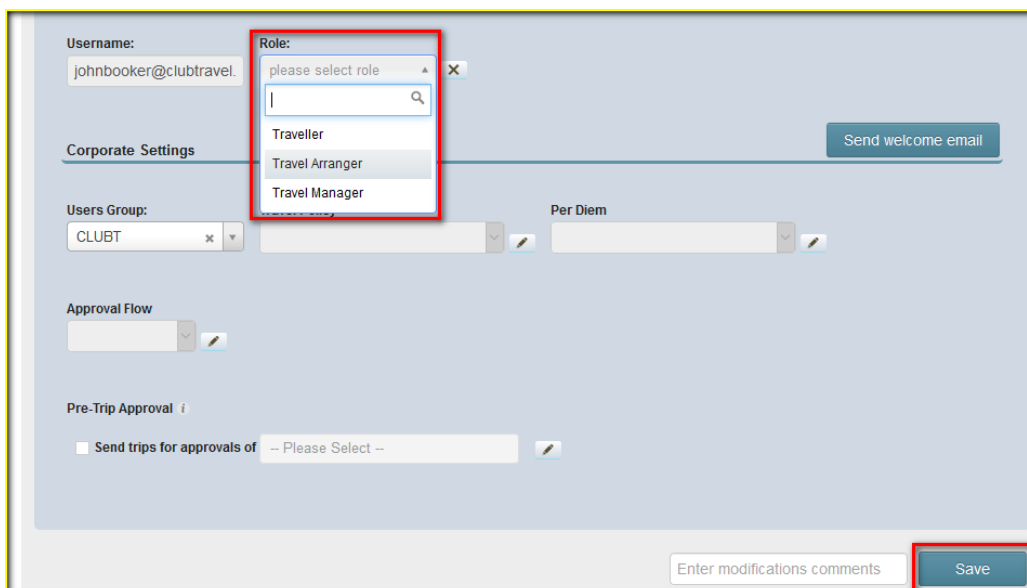

The screenshot shows the 'Users' management interface in the GTP Admin Center. On the left, a sidebar menu has 'Users' selected. The main area displays a user profile for 'John'. A search bar at the top shows 'John' with a search icon and 'Active' status. Below the search bar are buttons for 'Send welcome email', 'Activate', 'Deactivate', and 'Delete', along with a 'Download all users personal data' button. A table lists users, with 'John' selected. Below the table, the 'General and corporate settings' tab is active, showing fields for First Name (John), Middle Name, Last Name (Booker), Email (johnbooker@clubtravel.ie), CC Email, Out of office, and Back up approver. A red box highlights the 'General and corporate settings' tab, and red arrows point to the 'Users' menu item, the user name 'John', and the highlighted tab.

From the general and Corporate Settings of the user profile click on the “pencil” icon to activate the box role and select the role from the drop-down list.

This screenshot shows the same user profile for 'John' but with more details visible. The 'General and corporate settings' tab is highlighted with a red box. The 'Role' field is also highlighted with a red box, and a red pencil icon is visible next to it. Other fields include Gender (Male/Female), Title (Mr.), Date of birth (ddMMMy), Traveler Type (Adult), Time Format (24 hour/12 hour), and Display Currency (EUR). A 'Send welcome email' button is at the bottom right. The user name 'John' in the table above is also highlighted with a red box.

Once you have selected the Role just click Save at the bottom of the page.

Club Travel Limited

Enter modifications comments

Save

Once you start typing the address results will be given, select from there and the map will update.

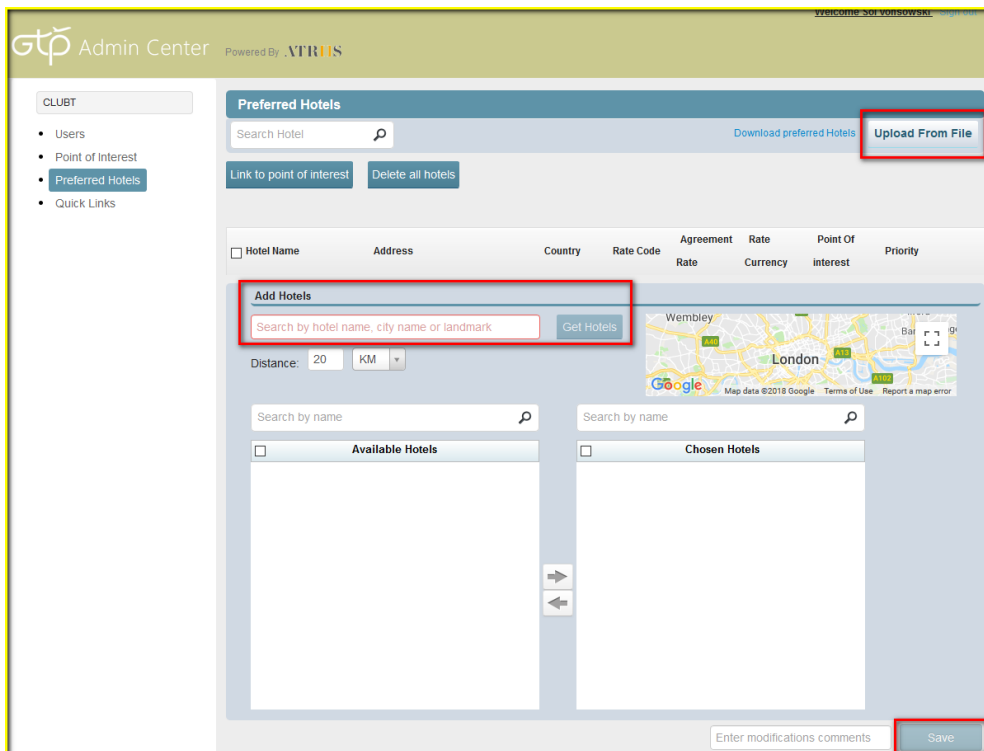

Click Save at the bottom of the page to store the Location.

You can update the information at any time by selecting or you can delete by clicking on the symbol.

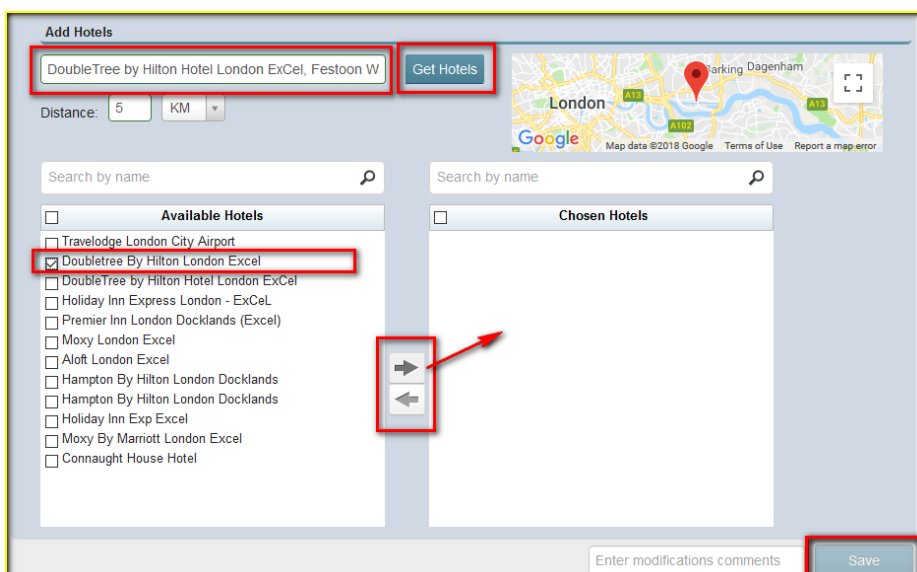

Preferred Hotels

You can add Preferred Hotels uploading from a file or you can enter the hotel name manually and click Get Hotels to search.

A list of Available Hotels will show on the left, Select the ones you want and click on the Arrow to move to the Chosen Hotels column

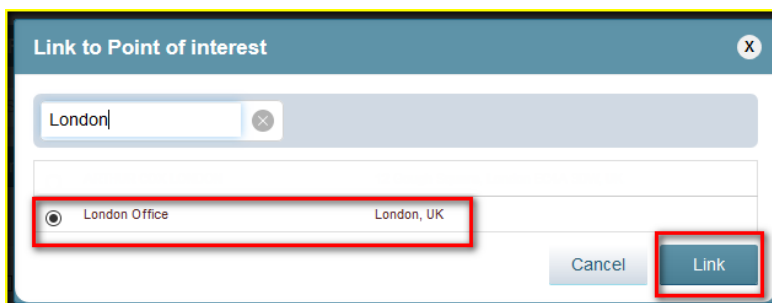

*To remove an Hotel from the Preferred Hotel List, click the arrow to the left and click save.

Once you selected the Hotel to the Chosen Hotels List and clicked Save, the Hotel will show at the top. From here you can link the Hotel to a Point of Interest by clicking on “Link”

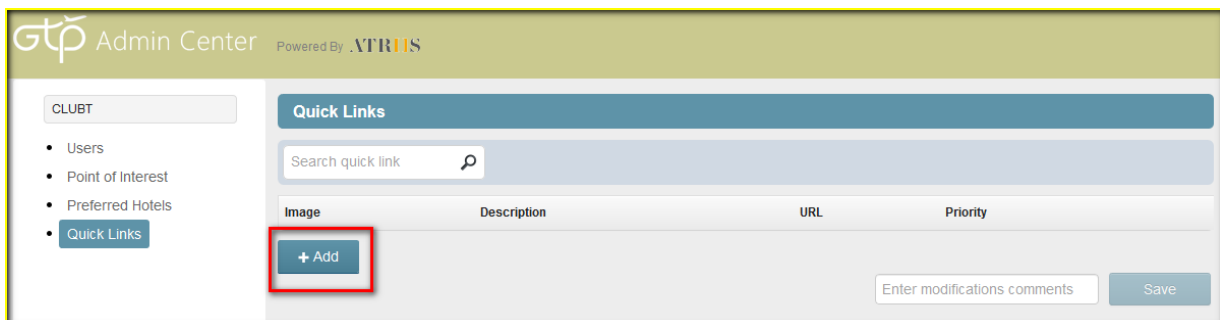

A pop-up screen will show, select the Location from the list and click on “Link”.

Quick Links

From here you can add Quick Links to be accessed by all the users of your GTP system on the main page.

Once you click on “+Add” a pop-up will show enter the information and click “Save”

Umbrella Profile Management System

GTP is integrated with Umbrella Faces Travel Profiles, the new profile storage system supported by Club Travel. We will be using Umbrella as our new platform to store your traveller details.

Umbrella sends reminder emails from time to time regarding expiration dates for Passports and credit card.

The email will come from umbrellaprofiles@clubtravel.ie and subject will be Umbrella Faces: Reminders

Please be aware that when you receive these emails, you will need to update your information in GTP

Example:

From: Club Travel <umbrellaprofiles@clubtravel.ie>
Sent: 09 June 2020 10:33
To: John Smith <johnsmith@clubtravel.ie>
Subject: Umbrella Faces: Reminders

Dear Mr. John Smith

Your profile held by Club Travel in Umbrella Faces, last updated on 15-Feb-2020, contains the following outdated information:

- Passport, expires on 09-Dez-20

We kindly ask you to update your information.

Your access credential are as follows:

- URL: <https://tenzing.umbrella.ch/faces>
- Username: johnsmith@clubtravel.ie
- Agency key: Club Travel
